Bill Number Format
The bill number format has three parts:

State + Chamber + Bill Number

- Abbreviate the state. Examples: **ca**, **ny**
- Abbreviate the chamber (Senate, House, Assembly, etc.). Examples: **s**, **h**, **a**
- Enter the unique number assigned to the bill. Example: **100**

Type one of the following with or without spaces: **ny s 100** or **nys100**

To check the status of more than one bill, use a comma to separate the bills: For example, to check the status of New York Senate Bill 200 and United States Senate Bill 134 type the following:

nys200, uss134

Special Session Format
The bill number format for a special session has the three parts noted above plus a special session suffix:

State + Chamber + Bill Number + Special Session Suffix

Type one of the following with or without spaces: us s 2 a or uss2a
